TO: ALL STATE AGENCIES, EMPLOYEE ORGANIZATIONS, AND
MEMBERS OF THE GOVERNOR'S CABINET

SUBJECT: 2008 LEGISLATIVE SUMMARY

The following bills affecting California's state employment statutes were signed and chaptered into law by Governor Schwarzenegger in 2008. The changes become effective January 1, 2009.

Eligibility for CEA Appointments

This new law allows prior state employees who had permanent status, and former legislative and nonelected exempt employees with at least 2 years of consecutive service to apply for and compete in Career Executive Assignment (CEA) examinations.

For CEAs hired under this provision, the new law specifies that the California Public Employees' Retirement System calculate retirement benefits using "final compensations" as the highest annual compensation that was earned during a consecutive 36-month period, rather than the highest consecutive 12-month period.

The new law also requires the State Personnel Board (SPB) to report to the Legislature by January 1, 2012, a summary of the CEA hires made of individuals:

1. who previously had permanent civil service status;
2. who were employed by the legislature for 2 or more consecutive years; and
3. who held nonelected exempt positions in the executive branch for 2 or more years.

The new provisions in this law will sunset on January 1, 2013, unless enabling legislation is enacted to extend or make these provisions permanent.
